

## **Coronavirus response**

**While in the UK, students and staff will follow UK legislation and guidance.**

### **Arrival and departure**

We will not test anyone for coronavirus before arrival or departure unless it is a legal requirement.

### **Vaccination status**

We will treat everyone equally at all times, regardless of their vaccination status.

### **Bedrooms and classrooms**

You will share your bedroom and your classroom; room changes will not be possible for any reason.

### **Fresh air and good hygiene**

We will encourage ventilation, promote hand washing, and ensure cleanliness at all times.

### **Face masks and social distancing**

You are welcome to make your own decision, but we will not expect or enforce these.

### **Testing**

We will not force anyone to take a test for coronavirus, even if they have possible symptoms.

### **Illness**

Anyone who is too ill to take part in our programme will be treated well and allowed to recuperate.

### **Positive test**

You will be required to follow NHS advice if you test positive or have a high temperature.

### **Rumours and gossip**

We will not tolerate rumour or gossip about anyone's health, even if they display symptoms.

### **Decision-making**

Decisions will be made on a case-by-case basis, and by senior management only.
